Outcome Page Guide**Page Number**

| | |
|---|----|
| All SOA Indicators | 1 |
| Outcome 1 - Dundee will be a regional centre with better job opportunities..... | 3 |
| Outcome 2 - Our people will be better educated and skilled within a knowledge economy renowned for research, innovation and culture | 6 |
| Outcome 3 - Our children will be safe, nurtured, healthy, achieving, active, respected, responsible and included..... | 8 |
| Outcome 4 - Our people will experience fewer health inequalities..... | 10 |
| Outcome 5 - Our people will have improved physical and mental well being..... | 13 |
| Outcome 6 - Our people will receive effective care when they need it..... | 14 |
| Outcome 7 - Our communities will be safe and feel safe..... | 15 |
| Outcome 8 - Our people will experience fewer social inequalities | 17 |
| Outcome 9 - Our people will live in stable, popular and attractive communities | 20 |
| Outcome 10 - Our communities will have high quality and accessible local services and facilities | 25 |
| Outcome 11 - Dundee will have a sustainable environment | 29 |

All SOA Indicators

| Indicator Reference | Indicator |
|---------------------|--|
| 1.1 | Overall job numbers |
| 1.2 | % of the working age population in employment |
| 1.3 | % of school leavers in positive and sustained destinations |
| 1.4 | % of working age population in receipt of out of work benefits |
| 1.5 | Number of claimants in receipt of out of work benefits |
| 1.6 | Number of Active Enterprises (replaces VAT registered business stock) |
| 2.1 | Knowledge economy sector jobs |
| 2.2 | % of working age population with NVQ level 1 (or equivalent) or above qualification |
| 2.3 | Number of people with severe literacy and numeracy problems attending provision |
| 2.4 | % of those attending literacy and numeracy provision from CRAs |
| 3.1 | Education tariff score for S4 pupils |
| 3.2 | Number of offences committed by children and young people |
| 3.3 | % of initial CP case conferences taking place within 21 days of CP referral |
| 3.4 | % of care leavers in positive destinations at follow up study |
| 4.1 | Male Life Expectancy at Birth |
| 4.2 | Female Life Expectancy at Birth |
| 4.3 | Gap in all cause mortality in those aged under 75 between the most deprived areas and the Dundee average (deaths per 100,000) |
| 4.4 | % adults drug misuse or dealing common |
| 4.5 | Deaths per 100,000 population from alcohol related diseases |
| 5.1 | % of children in P1 with a healthy BMI |
| 5.2 | Average score of adults on the Warwick-Edinburgh Mental Well-being scale |
| 6.1 | Proportion of clients with complex needs receiving intensive home care out of the number of clients in long stay care |
| 7.1 | Number of crimes (groups 1-4) based on average of last 3 years |
| 7.2 | % of those who state that fear of crime has no effect on their quality of life |
| 7.a | % of respondents who said that fear of crime does not prevent them from taking part in everyday activities |
| 7.b | % of respondents who said they felt safe walking alone during the day |
| 7.c | % of respondents who said they felt safe walking alone after dark |
| 8.1 | % of children living in households that are dependent on out of work benefits or Child Tax Credit more than the family element (city-wide) |
| 8.2 | % of children living in households that are dependent on out of work benefits or Child Tax Credit more than the family element (CRA) |
| 8.3 | % by which Average Household Income is less than the Scottish average (city-wide) |
| 8.4 | % by which Average Household Income is less than the Scottish average (CRA) |
| 8.5 | % of population in the 15% most deprived datazones relative to the Scottish population (city-wide) |
| 8.6 | % of population in the 15% most deprived datazones relative to the Scottish population (CRA) |
| 9.1 | % of residents who have lived in area over 10 years (city-wide) |
| 9.2 | % of residents who have lived in area over 10 years (CRA) |
| 9.3 | % of residents who rate their neighbourhood as a good place to live (city-wide) |
| 9.4 | % of residents who rate their neighbourhood as a good place to live (CRA) |
| 9.5 | % of social rented housing stock passing the Scottish Housing Quality Standard |
| 10.1 | % of resident satisfaction with access to local services and facilities (city wide) |
| 10.2 | % of resident satisfaction with access to local services and facilities (CRA) |
| 10.3 | % of resident satisfaction with quality of local services and facilities (city-wide) |
| 10.4 | % of resident satisfaction with quality of local services and facilities (CRA) |
| 11.1 | % growth in waste arisings |
| 11.2 | Tonnes of municipal waste sent to landfill |
| 11.3 | Per capita CO2 emissions in the local authority area (tonnes) |

Outcome 1 - Dundee will be a regional centre with better job opportunities

| | |
|---------------------|---------------------|
| Indicator Reference | 1.1 |
| Indicator Contact | Rory Young |
| Indicator Title | Overall job numbers |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | Dundee City Council Annual Employment Survey. |
| Indicator Data Date | July 2010 |
| link to data source | http://www.dundeeecity.gov.uk/dundeeecity/uploaded_publications/publication_119.pdf |
| Metadata | The Dundee Economic Profile provides access to a range of news, facts and statistical information relevant to understanding and monitoring the Dundee economy. Specific data enquiries not covered by this publication can be directed to: Rory Young, Senior Policy Officer, City Development Department. Tel: 01382 434697 Email: rory.young@dundeeecity.gov.uk |
| rationale for using this indicator | This source was selected as a performance indicator because it provides more current data than national data sources |
| Other Comments | |

| | |
|---------------------|---|
| Indicator Reference | 1.2 |
| Indicator Contact | Rory Young |
| Indicator Title | % of the working age population in employment |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | ONS Annual Population Survey |
| Indicator Data Date | Year to September 2010 |
| link to data source | http://www.statistics.gov.uk/Statbase/Product.asp?vlnk=10855 |
| Metadata | The Annual Population Survey (APS) combines results from the Labour Force Survey (LFS) and the English, Welsh and Scottish Labour Force Survey boosts (During 2004 and 2005 the APS also comprised of an additional boost for England (APS(B)) which are funded by the Department for Work and Pensions, Department for Education and Skills, the National Assembly for Wales and the Scottish Executive. |
| rationale for using this indicator | national statistic |
| Other Comments | Due to a change in the working age population definition (from 16-59/64 to 16-64) it is not possible to directly compare performance with the target figure published in the SOA |

| | |
|---------------------|--|
| Indicator Reference | 1.3 |
| Indicator Contact | Rory Young |
| Indicator Title | % of school leavers in positive and sustained destinations |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | Destinations of Leavers from Scottish Schools: 2009/10, Scottish Government |
| Indicator Data Date | 2009/2010 data |
| link to data source | http://www.scotland.gov.uk/Publications/2010/11/30144422/0 |
| Metadata | national statistic |
| rationale for using this indicator | national statistic |
| Other Comments | |

| | |
|---------------------|--|
| Indicator Reference | 1.4 |
| Indicator Contact | Rory Young |
| Indicator Title | % of working age population in receipt of out of work benefits |

Indicator Metadata

| | |
|------------------------------------|--|
| Indicator Source: | Department for Work and Pensions |
| Indicator Data Date | August 2010 |
| link to data source | http://statistics.dwp.gov.uk/asd/index.php?page=tabtool |
| Metadata | national statistic |
| rationale for using this indicator | national statistic |
| Other Comments | Baseline data in published SOA has been updated to reflect revised "out of work benefit" categories. (Jobseekers, Lone Parents, EA & Incapacity Benefits, Others on income related benefits) |

| | |
|---------------------|--|
| Indicator Reference | 1.5 |
| Indicator Contact | Rory Young |
| Indicator Title | Number of claimants in receipt of out of work benefits |

Indicator Metadata

| | |
|------------------------------------|--|
| Indicator Source: | Department for Work and Pensions |
| Indicator Data Date | August 2010 |
| link to data source | http://statistics.dwp.gov.uk/asd/index.php?page=tabtool |
| Metadata | national statistic |
| rationale for using this indicator | national statistic |
| Other Comments | Baseline data in published SOA has been updated to reflect revised "out of work benefit" categories. (Jobseekers, Lone Parents, EA & Incapacity Benefits, Others on income related benefits) |

| | |
|---------------------|---|
| Indicator Reference | 1.6 |
| Indicator Contact | Rory Young |
| Indicator Title | Number of Active Enterprises (replaces VAT registered business stock) |

Indicator Metadata

| | |
|------------------------------------|--|
| Indicator Source: | ONS Business Demography dataset |
| Indicator Data Date | 2009 dataset |
| link to data source | http://www.statistics.gov.uk/statbase/product.asp?vlnk=15186 |
| Metadata | This product includes births, deaths and survivals of UK enterprises. The active stock of businesses is also shown, so that birth and death rates can be calculated. |
| rationale for using this indicator | national dataset |
| Other Comments | This replaces the VAT Registered Business Stock indicator due to discontinuation of the dataset. |

Outcome 2 - Our people will be better educated and skilled within a knowledge economy renowned for research, innovation and culture

| | |
|---------------------|-------------------------------|
| Indicator Reference | 2.1 |
| Indicator Contact | Marie Dailly |
| Indicator Title | Knowledge economy sector jobs |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | Dundee City Council Annual Employment Survey. |
| Indicator Data Date | July 2010 |
| link to data source | http://www.dundee.gov.uk/dundee/uploaded_publications/publication_119.pdf |
| Metadata | The Dundee Economic Profile provides access to a range of news, facts and statistical information relevant to understanding and monitoring the Dundee economy. Specific data enquiries not covered by this publication can be directed to: Rory Young, Senior Policy Officer, City Development Department. Tel: 01382 434697 Email: rory.young@dundee.gov.uk |
| rationale for using this indicator | This source was selected as a performance indicator because it provides more current data than national data sources |
| Other Comments | |

| | |
|---------------------|---|
| Indicator Reference | 2.2 |
| Indicator Contact | Marie Dailly |
| Indicator Title | % of working age population with NVQ level 1 (or equivalent) or above qualification |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | Office for National Statistics |
| Indicator Data Date | Dec 2010 |
| link to data source | https://www.nomisweb.co.uk/reports/lmp/la/2038432128/report.aspx?pc=DD1%203RB#tabquals |
| Metadata | national statistic |
| rationale for using this indicator | |
| Other Comments | NOMIS have taken the change in pension ages into their calculations |

| | |
|------------------------------------|--|
| Indicator Reference | 2.3 |
| Indicator Contact | Marie Dailly |
| Indicator Title | Number of people with severe literacy and numeracy problems attending provision |
| Indicator Metadata | |
| Indicator Source: | Leisure & Communities Department Database Management System |
| Indicator Data Date | March 2011 (snapshot of system) |
| link to data source | http://www.dundeepartnership.co.uk/sites/default/files/Adult%20Learning%20Annual%20Report%202009-2010.pdf |
| Metadata | This figure is the result of a query performed on the departmental database. the annual report contains data from this database. For queries relating to the database itself please contact Marie Daily, Community Learning & Development Manager, (01382) 435820 |
| rationale for using this indicator | The departmental database provides far more accurate and detailed information relating to literacy and numeracy provision in Dundee City. The national indicator (2009 Scottish Adult Literacy Survey) uses a calculation to disseminate the Scotland figure to determine the figure for Dundee City. There is no provision for examining literacy and numeracy trends below Local Authority level. There is also a time lag in the production of national statistics whereas the local data systems can provide up to date information. |
| Other Comments | The Leisure and Communities database management system was an integral part of the Excellent rating given to the dept by the HM Inspectorate of Education and has been included in producing best practice for other Local Authorities. |

| | |
|---------------------|--|
| Indicator Reference | 2.4 |
| Indicator Contact | Marie Dailly |
| Indicator Title | % of those attending literacy and numeracy provision from CRAs |

Indicator Metadata

| | |

| Metadata | This figure is the result of a query performed on the departmental database. the annual report contains data from this database. For queries relating to the database itself please contact Marie Daily, Community Learning & Development Manager, (01382) 435820 |
| rationale for using this indicator | The departmental database provides far more accurate and detailed information relating to literacy and numeracy provision in Dundee City. The national indicator (2009 Scottish Adult Literacy Survey) uses a calculation to disseminate the Scotland figure to determine the figure for Dundee City. There is no provision for examining literacy and numeracy trends below Local Authority level. There is also a time lag in the production of national statistics whereas the local data systems can provide up to date information. |
| Other Comments | The Leisure and Communities database management system was an integral part of the Excellent rating given to the dept by the HM Inspectorate of Education and has been included in producing best practice for other Local Authorities. |

Outcome 3 - Our children will be safe, nurtured, healthy, achieving, active, respected, responsible and included.

| | |
|---------------------|--------------------------------------|
| Indicator Reference | 3.1 |
| Indicator Contact | Bert Sandeman |
| Indicator Title | Education tariff score for S4 pupils |

Indicator Metadata

| | |
|------------------------------------|--|
| Indicator Source: | STACS, HMIE, Scottish Neighbourhood Statistics |
| Indicator Data Date | Latest data is August 2010 (2011 data gathered in August 2011, and potential for update in January 2012) |
| link to data source | www.sns.gov.uk |
| Metadata | national statistic |
| rationale for using this indicator | national statistic |
| Other Comments | Excellent indicator looks at total performance of pupils across all subjects including courses and units We have had an increasing trend for the last three years |

| | |
|---------------------|---|
| Indicator Reference | 3.2 |
| Indicator Contact | Bert Sandeman |
| Indicator Title | Number of offences committed by children and young people |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | Tayside Police |
| Indicator Data Date | March 2011 data being gathered presently |
| link to data source | No link, Outcome Indicator contact: Bert Sandeman. bert.sandeman@dundeecity.gov.uk |
| Metadata | Produced April to March annually. 2011 data will be available in August 2011 |
| rationale for using this indicator | It is a valid indicator of performance |
| Other Comments | It is a national indicator derived from local data |

| | |
|---------------------|---|
| Indicator Reference | 3.3 |
| Indicator Contact | Bert Sandeman |
| Indicator Title | % of initial CP case conferences taking place within 21 days of CP referral |

Indicator Metadata

| | |
|------------------------------------|--|
| Indicator Source: | Social Work Department Database |
| Indicator Data Date | June 2011 |
| link to data source | No link, Outcome Indicator contact: Bert Sandeman. bert.sandeman@dundeecity.gov.uk |
| Metadata | |
| rationale for using this indicator | Indicator used in absence of a child protection indicator locally or on national menu. |
| Other Comments | CP = (Child Protection) |

| | |
|---------------------|---|
| Indicator Reference | 3.4 |
| Indicator Contact | Bert Sandeman |
| Indicator Title | % of care leavers in positive destinations at follow up study |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | Scottish Government Child Safety and Wellbeing - Destinations and Looked After Children |
| Indicator Data Date | July 2011 |
| link to data source | http://www.scotland.gov.uk/Topics/Statistics/Browse/Children/TrendDestinationsLAC |
| Metadata | Looked After Children Survey (Scottish Government) and school leaver destination survey (Skills Development Scotland) |
| rationale for using this indicator | Indicator used in absence of a child protection indicator locally or on national menu. |
| Other Comments | |

Outcome 4 - Our people will experience fewer health inequalities

| | |
|---------------------|---------------------------------------|
| Indicator Reference | 4.1 |
| Indicator Contact | Phyllis Easton |
| Indicator Title | Male Life Expectancy at Birth (years) |

Indicator Metadata

| | |
|------------------------------------|---|

| Other Comments | Data not available below Local Authority Geography |

Outcome 5 - Our people will have improved physical and mental well being

| | |
|---------------------|--|
| Indicator Reference | 5.1 |
| Indicator Contact | Phyllis Easton |
| Indicator Title | % of children in P1 with a healthy BMI |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | Information Services Division (ISD) is a division of National Services Scotland, part of NHS Scotland |
| Indicator Data Date | School Year 2009/10 |
| link to data source | http://www.isdscotland.org/Health-Topics//Child-Health/Publications/data-tables.asp?id=548#548 |
| Metadata | national statistic |
| rationale for using this indicator | National Statistic |
| Other Comments | |

| | |
|---------------------|--|
| Indicator Reference | 5.2 |
| Indicator Contact | Phyllis Easton |
| Indicator Title | Average score of adults on the Warwick-Edinburgh Mental Well-being scale |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | Dundee Partnership - Dundee City Citizen Survey 2010 (Ashbrook) |
| Indicator Data Date | October 2010 |
| link to data source | http://www.dundeepartnership.co.uk/sites/default/files/City-wideSurveyDec2010.pdf |
| Metadata | <p>Produced by Ashbrook Research & Consultancy.</p> <p>A total of 2,000 interviews were conducted across Dundee on the following basis:</p> <ul style="list-style-type: none"> • 800 amongst the „general population“ of Dundee • 1,000 within the Community Regeneration Areas (i.e. 200 in each of 5 Community Regeneration Areas) • 200 in the Stobswell area <p>Upon completion of the interview process, a programme of post weightings was applied to the data based on the population characteristics of each of the areas noted above.</p> |
| rationale for using this indicator | <p>Previous surveys in 2006, 2008, 2009 provide recent comparable data. Survey of 2000 interviews dundee, CRAs, and stobswell are, provide information at a sub Local Authority level.</p> <p>Provides more accurate information than national indicator.</p> |
| Other Comments | WEMWBS score - Scotland comparable data is available through the Scottish Health Survey |

Outcome 6 - Our people will receive effective care when they need it

| | |
|---------------------|---|
| Indicator Reference | 6.1 |
| Indicator Contact | Lynsey Webster |
| Indicator Title | Proportion of clients with complex needs receiving intensive home care out of the number of clients in long stay care |

Indicator Metadata

| | |
|------------------------------------|--|
| Indicator Source: | 'K2' Social Work Database Management System Snapshot of clients recorded in the system |
| Indicator Data Date | 31 March 2011 |
| link to data source | This data is the result of a database query on a live data system recording details of clients of the various areas of the Social Work department. The contact for this database query is Lynsey Webster, Social Work Dept, Dundee City Council lynsey.webster@dundeecity.gov.uk 01382 433419 |
| Metadata | Uses data for number of clients recorded as: <ul style="list-style-type: none"> • Geriatric long stay • receiving intensive home care (10 hours plus) • resident in a care home funded by DCC |
| rationale for using this indicator | Up to date data as the source is a live database system. Data is available at a sub Local Authority level to show how resources are spread throughout Dundee City. K2 Data Management system is robust and reliable. |
| Other Comments | The 30% target comes from the Social Work Department Local Delivery Plan submitted to NHS Tayside. The information for this indicator shows that excellent progress is being made towards achieving the target. |

Outcome 7 - Our communities will be safe and feel safe

| | |
|---------------------|--|
| Indicator Reference | 7.1 |
| Indicator Contact | Liz Kay |
| Indicator Title | Number of crimes (groups 1-4) based on average of last 3 years |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | Datasets for Recorded Crime in Scotland 2009-10 |
| Indicator Data Date | 2009/10 |

| Indicator Title | % of those who state that fear of crime has no effect on their quality of life |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | Dundee Partnership - Dundee City Citizen Survey 2010 (Ashbrook) |
| Indicator Data Date | October 2010 |
| link to data source | http://www.dundeepartnership.co.uk/sites/default/files/City-wideSurveyDec2010.pdf |
| Metadata | <p>Produced by Ashbrook Research & Consultancy.</p> <p>A total of 2,000 interviews were conducted across Dundee on the following basis:</p> <ul style="list-style-type: none"> • 800 amongst the „general population“ of Dundee • 1,000 within the Community Regeneration Areas (i.e. 200 in each of 5 Community Regeneration Areas) • 200 in the Stobswell area <p>Upon completion of the interview process, a programme of post weightings was applied to the data based on the population characteristics of each of the areas noted above.</p> |
| rationale for using this indicator | <p>Previous surveys in 2006, 2008, 2009 provide recent comparable data. Survey of 2000 interviews dundee, CRAs, and stobswell are, provide information at a sub Local Authority level.</p> <p>Provides more accurate information than national indicator.</p> |
| Other Comments | <p>This indicator combines two similar questions asked during various annual surveys.</p> <p>"% of respondents who said they had felt fearful about becoming a victim of crime in the past year"</p> <p>and</p> <p>"% of those who state that fear of crime has no effect on their quality of life"</p> |

| | |
|---------------------|--|
| Indicator Reference | 7.a |
| Indicator Contact | Liz Kay |
| Indicator Title | % of respondents who said that fear of crime does not prevent them from taking part in everyday activities |

| | |
|---------------------|---|
| Indicator Reference | 7.b |
| Indicator Contact | Liz Kay |
| Indicator Title | % of respondents who said they felt safe walking alone during the day |

| | |
|---------------------|---|
| Indicator Reference | 7.c |
| Indicator Contact | Liz Kay |
| Indicator Title | % of respondents who said they felt safe walking alone after dark |

Indicator Metadata

| | |
|------------------------------------|--|
| Indicator Source: | Public Perception Survey 2010 - Central Division |
| Indicator Data Date | 2010 |
| link to data source | <p>Performance and Planning Department Governance and Development Tayside Police West Bell Street Dundee DD1 9JU</p> <p>http://www.tayside.police.uk/Your-Community/Dundee/Public-Survey-Central.htm</p> <p>performanceandplanning@tayside.pnn.police.uk</p> |
| Metadata | Annual Survey carried out by Tayside Police |
| rationale for using this indicator | Provides local crime and fear of crime statistics, these compliment statistics that are already in use in the SOA Community Safety Outcome. |
| Other Comments | |

Outcome 8 - Our people will experience fewer social inequalities

| | |
|---------------------|--|
| Indicator Reference | 8.1 |
| Indicator Contact | Bryan Harris |
| Indicator Title | % of children living in households that are dependent on out of work benefits or Child Tax Credit more than the family element (city-wide) |

Indicator Metadata

| | |
|------------------------------------|---|
| Indicator Source: | HM Revenue & Customs |
| Indicator Data Date | Dec 2010 |
| link to data source | http://www.hmrc.gov.uk/stats/personal-tax-credits/cwtc-geog-stats.htm |
| Metadata | National Statistic |
| rationale for using this indicator | National Statistic |
| Other Comments | |

| | |
|---------------------|--|
| Indicator Reference | 8.2 |
| Indicator Contact | Bryan Harris |
| Indicator Title | % of children living in households that are dependent on out of work benefits or Child Tax Credit more than the family element (CRA) |

Indicator Metadata

| | |
|------------------------------------|--|
| Indicator Source: | HM Revenue & Customs |
| Indicator Data Date | Dec 2008 |
| link to data source | http://www.hmrc.gov.uk/stats/personal-tax-credits/cwtc-geog-stats.htm |
| Metadata | National Statistic |
| rationale for using this indicator | National Statistic |
| Other Comments | Please note: this is still the previous updates's figure. The small area data was not available when last requested from HMR&C. Further attempts are being made to obtain the data for datazones in community regeneration areas. |

| | |
|---------------------|---|
| Indicator Reference | 8.3 |
| Indicator Contact | Bryan Harris |
| Indicator Title | % by which Average Household Income is less than the Scottish average (city-wide) |

Indicator Metadata

| | |
|------------------------------------|--|
| Indicator Source: | CACI Paycheck 2010 Data set |
| Indicator Data Date | 2010 |
| link to data source | http://www.caci.co.uk/paycheck.aspx |
| Metadata | PayCheck profiles all 1.6 million postcodes in the UK using information on over 4 million households from lifestyle surveys and Census and Market Research data. It is available as a mean, median and mode figure for each postcode or as a PayCheck type. |
| rationale for using this indicator | Robust survey that provides annual data updates. Data provided at postcode level which allows for sub Local Authority Analysis possible (wards, CRA's, National indicator is in Scottish Household Survey which is not an annual publication,. is also a sample survey, and only produces a Local Authority figure. It is not possible to present data at sub Local Authority geographies. |
